Meeting Minutes

**Call to order 10:39**

**Attendees:**

Michael Morse-MHG, James Letzring- MHG, Ron Hill- Great Northern, Bob Wuornos- MN Valley, Vadim Balakarev- Elite

**Grassroots:**

Mike proposed that for the 2018 Grassroots Clinic we change the time of year of it to the beginning of June or end of May. He also proposed it to include both level 4-6 in one session and level 7-10 in another session. He thought that it should be a one day event on a Sunday with two sessions.

Ron, Bob, Vadim, and James all liked the idea.

Ron suggested the weekend of June 3<sup>rd</sup> and because it would be after the Memorial Day weekend and before school gets out.

Vadim stated that if we are going to make this change that all the details have to be determined before the state meet weekend so families could leave already with that information.

Bob suggested that the information be in the program at the state meet.

James said that it should also be mandatory for any coaches that have athletes make the clinic be in attendance the way we have done with the State Clinic.

Ron suggested that Mike look into the sanctions because he that was a requirement of a sanctioned event.

Ron suggested that we change the name of the clinic to the Minnesota Team clinic.

Mike said he would put more together and send it out to the board members for approval.

**State Clinic:**

Ron said he liked the idea of something in the fall for the optional athletes.

Mike said he liked the idea of opening up the State Clinic to registrations for anyone. He thought it could be a similar format to new grassroots clinic format but open to anyone who registers.

Ron suggested that we bring in a clinician from out of state to help build excitement for it.

Mike said he would start looking for Clinicians immediately.

We all put a list of potential clinicians together.
