

2017 Minnesota Fall Meeting
Minnesota State Clinic
Mini-Hops Gymnastics
September 24th following clinic
Meeting Minutes

Call to order 1:06

Attendees:

Michael Morse-MHG, Valentin Fruzac- ROGA, James Letzring- MHG, Keith Heaver- Great Northern, Ron Hill- Great Northern, Zach Wareham- Northfield, Vadim Balakarev- Elite, Nico Valezquez- Northcrest

Financial Report:

Mike handed everyone a financial report. He said there was very little change from the spring financial report. The only difference was the amount he paid out to the regional team members.

Board Members:

Mike stated that for the most part the board was the same as last year. The only change is that James Letzring was added as the secretary.

Club List:

Vali let the group know that he is no longer at JETS gymnastics. He opened his own gym named Rochester Gymnastics Academy.

Head Tax:

Mike told the group that USAG has changed the way they determine allotments for Nationals. He said that they determine the numbers from usag memberships and start looking as soon as October. Because of this Mike is planning to send an email out to the state to asking everyone to make sure their athlete are registered asap. There was a discussion on moving the head tax deadline up to October because of this but it was decided against because one didn't have much to do with the other.

Regional Clinic:

It will be held at Scamps Gymnastics October 21-22nd.

Regional Future Stars:

It will be held at M & M Gymnastics October 20th.

Grassroots:

It will be held at MN Valley Gymnastics November 19th. Mike asked for everybody's thoughts on opening it up to all levels and changing the time of the clinic to the summer instead of November. Ron suggested not doing it in the summer but maybe doing it in the end of May or beginning of June. James suggested that it is mandatory for all coaches that have kids there attend as well.

Regionals:

Mike informed us that Spenser Johnson won the bid for Regionals and that it will be in Des Moines, Iowa. A final date has not been set for it.

Xcel:

There was a long discussion over the new xcel program that USAG has started. Mike informed us that there is a lot of flexibility in the program. USAG is letting states decide how or if they implement it. Mike said that the programs that have done this have started with recreation classes doing it in house. From there it can be done with other clubs in their gym. Zach expressed that he would have interest in it if anyone else would also.

Meeting Adjourn: 2:15
