State Clinic/Future Stars Testing

- 2016 Review – Elite Gymnastics Academy
- 2017 Host- MHG offered to host the state clinic and there were no objections.
- The format from last year's clinic was discussed and it was decided that we would continue that format for next year as well.

Regional Future Stars

- 2016 Review – Omaha Nebraska
- 2017 Location – Wisconsin
- We discussed ways build the number of future star athletes. The idea of doing more clinics just for those potential athletes and coaches was brought up. Many people felt that it would be difficult to get enough involvement for another clinic. Oksana Balakirev suggest that we create a future stars rep position for the state to find and mentor those potential athletes and coaches. That idea was taken well but it was not voted on and nobody was suggested for the position.
