Minnesota Website:

Oksana informed that the state website has been updated with this year's information. She also let us know that she is currently working on the Regional Championships website and that should be ready to go live very soon.

Regionals Future Stars

Oksana informed us that the regionals future stars testing will be October 21st at Salto Gymnastics in Milwaukee Wisconsin. She sent out an email asking who will have future stars this year. She said that the following clubs were hoping to have future star boys next season:

North Shore

MHG

Elite

Great Northern

State Future Stars Testing

Oksana said she spoke with those clubs and decided that the state future stars testing will be on September 17th at Elite Gymnastics. She has asked Ron to judge and is waiting on a response back if he can. She also stated that was planning on charging the same \$50 per athlete to cover the costs of judges and facility rental.

Team Minnesota Clinic

There was an open discussion about how the clinic went. Everyone thought that it went very well. We were all happy with the turnout that was seen at it and the fact that we were able to make a profit off of it. We all like the multiple rotations format but want to open it up to other gyms again for next year and if it does go to another gym that format would not work because of lack of equipment.
