State Events

State Championships:

Bids: Bids will be accepted prior to the Spring State Meeting. Persons submitting the bid must have a venue locked in and be present at the Spring State Meeting (the bid form can be found on the state website). A vote (one vote per club) will be taken after the presentations. State Meet bids will only be accepted if the host site is a separate facility and is not the host club's gym. State Meet bids will be only voted on the merit of what they offer the gymnasts and the families (not what is offered for the coaches). If the chosen bid cannot host the Championships after being awarded, a revote will be conducted by the State Chairman via email. The original meet bids will be resubmitted if they still want to host and each gym will get a vote within a one-week period.

Registration: Any club that has not paid their entry into the State Championship 2 weeks prior to the start of the meet are subject to a \$15 late fee per gymnast.

Refund Protocol: State Championship entry fees for injured/ill athletes will be refunded 100% two weeks prior to the start of the State Meet. A 50% refund will be given for less than two weeks' notice. No refund will be given if notice was less than 48 hours prior to the start of the State Meet.

Admissions: State Championship daily admissions must not exceed \$20 per day for adults, \$15 per day for seniors (age 65+) and children ages 4-18, and free for children ages 0-4.

Age Group Structure: All age groups must be broken up equally by date of birth with a maximum number of 20 athletes per age group.

Awards: Awards will go out to the top 40% of all athletes. The top 25% of each age group will be awarded Team Minnesota (see Team Minnesota Clinic).

Team Minnesota Clinic: This clinic's purpose is to improve the quality of the state's program. Each age group in levels 3-10 in the previous year's State Championships will be invited. All coaches are invited to work as a coach or observe at the clinic. The clinic will enforce presentation and basics. Other topics will include information from the National Coaches Workshop. The clinic will be hosted annually in June.

Region 2 Championships: Please refer to the Region 2 official bid packet.

Invitationals: Meet bids will be accepted at the Spring Meeting. Clubs hosting annual traditional meets for two or more years will have priority of dates. The meet calendar will allow each club one meet. The meet calendar will be decided and finalized by the state committee. After the calendar has been established, an additional meet can be added by clubs wishing to host more than one meet.
